AFFORDABLE QUALITY – THE ESSENTIAL INGREDIENT

Your kitchen is where you come together to cook, eat, share and entertain. **Smooth and virtually seamless, Corian® is a pleasure to touch and enjoy every day.** Joins are inconspicuous, preserving the clean lines of your kitchen, and making surfaces hygienic and easy care.

The Corian® Essentials Collection and Solid Whites Collection have all the exceptional qualities of Corian® you desire – tactile, seamless, hygienic, renewable and formable - **at a distinctly affordable price.**

The patterns in the Corian® Essentials Collection provide a sophisticated yet easy-to-live with palette that will work beautifully in your kitchen, bathroom or laundry.

The Corian® Solid Whites Collection is a sleek and versatile neutral palette of whites and off-whites that will complement any design décor.

DESIGNED AND MADE TO LAST

Corian's® advanced blend of beautiful, natural minerals and resilient acrylic resin is built and guaranteed to last so well, it's backed by the **Corian® 10 Year Transferable Installed Warranty.**

Corian® colours and patterns won't wear off or fade. A subtle lustre will develop on your Corian® surface over time. **In fact, the more you use it, the better it can look!** If at some point you'd like to return your benchtop to its original finish, this can be done in your home by an Authorised Corian® Fabricator. Should the worst happen, all but the most extensive damage can be repaired on site.

MORE THAN SURFACE BEAUTY

Unlike many other benchtop surfaces, Corian® is completely non-porous and stain resistant – so it's safe and hygienic for you, your family and friends. Corian® also resists mould, mildew and bacteria. And its flowing, seamless construction means no nooks or crannies to trap dirt.

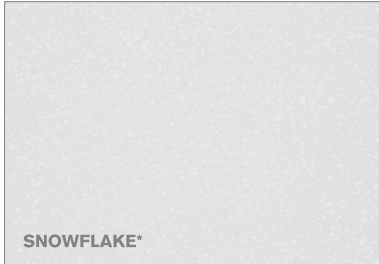

Your Corian® benchtop is made to be used as well as admired. To ensure it stays as beautiful and durable as the day it's installed, information on how to care for Corian® is available in the Corian® Care Guide.

ADD VALUE TO YOUR PROPERTY

As the world's most recognised and desirable Solid Surface brand, **an investment in Corian® adds tangible value to any home.**

AUTHORISED CORIAN® FABRICATION NETWORK

Only Authorised Corian® Fabricators can make and install Corian® surfaces. These businesses meet and uphold rigorous standards including (but not limited to) specialised training. This ensures consistent excellence in fabrication, installation and service.

10 YEAR TRANSFERABLE INSTALLED WARRANTY

DuPont™ is so confident about the quality and longevity of Corian® that they offer a 10 Year Transferable Installed Warranty. This covers all residential Corian® product including manufacturing and installation, as per the DuPont™ Corian® Warranty. This warranty is detailed in the Corian® Care Guide and at corian.co.nz.

The warranty is transferable, meaning that if you sell your home, the remainder of the 10 Year Installed Warranty is still available to the new owner. This is just another unique benefit of Corian®.
